For REFERENCE ONLY - HC Regulation E35a (2015-2016)

A Player of a Team of a lower Division or Category of the same Club, or of an Affiliated Team, or a specially Affiliated Player, may Affiliate to a Team or Teams of higher Divisions and categories at any time, to a maximum of ten (10) games. However, if the Player's registered Team completes its regular Season and playoffs before the Player's Affiliated Team or Teams, the Player may thereafter Affiliate an unlimited number of times. For Goaltender exceptions see Regulations B.42, E.36 (b).

Player Movement

4.2 Player Movement is the decision of the district.

BC Hockey policies approve player movement to a higher level of play, only in the form of "Exemplary Players" (BC Hockey 9.14). This is in the instance that a player has been evaluated by an outside, unbiased, BC Hockey appointed representative. The fee is a non-refundable, \$1000 for the evaluation, and not inclusive of travel time, meals, and accommodation.

Player movement is typically implemented for Rep players who excel within their current age group. It also is limited to 2nd year players to move up, allowing them to develop, assuming that after evaluation, it is deemed the player will not develop, and will, in fact, be negatively impacted with staying in their Birth Year group of peers.

At no time, will the district (NCD) approve any moves outside of this policy, unless there is no offered birth year team within the Association.

There will be no considerations for any player movement to the level above, for House Division players. Unless there is no offered birth year team within the Association.

Players above a team level, can be rostered after NCD approval, to a team in the one year below age level, if they meet the requirements as per BC Hockey Policy for overage players. U18 overage players can play for one year to house teams. The same rules apply to Tournament Teams, as to Rep teams, in which, Overage Players will not be accepted at the U18 division.

Regulation 5

Playing Rules

5.1 The NCD playing rules shall be those adopted by Hockey Canada, BC Hockey and North Central District Minor Hockey Association.

- 5.2 The home team shall be responsible for supplying pucks, a qualified timekeeper, qualified scorekeeper, and security for each game. The referee will indicate any omission on the back of the game sheet and report the details to the NCD President.

- 5.4 As provided in HC Rule 3.6, players (including goaltenders) shall wear required protective equipment, including CSA-certified helmets and facial protectors and BNQ-certified throat protectors, in all games, practices, warm-ups, and while sitting on the players' bench or penalty bench. The Alternate Goaltenders must be wearing either a blocker or glove (or player gloves) when on the bench.
- 5.5 To focus attention on the dangers of checking an opponent from behind, it shall be mandatory for all NCD registered players to wear the "Stop Sign" patch above the number on the backs of their sweaters. Any NCD registered player not wearing the regulation size "Stop Sign" patch will be noted on the game sheet and the MHA is responsible for correcting the situation. Referees are instructed to check each player at the start of each game for compliance.
- 5.6 Teams are not permitted on the ice without on-ice official(s) also on the ice. Failure to adhere to this rule shall result in disciplinary action.
- 5.7 Supplemental oxygen, which is not medically prescribed, shall be prohibited at all NCD sanctioned games. The penalty shall be a three-game (3) suspension for the coaching staff in attendance and forfeiture of the game at which the supplemental oxygen product is found to be in possession.
- 5.8 The use of strobe light equipment by spectators and others shall be prohibited as such use may have an undesirable medical side effect. Team officials shall

When required, disciplinary action or sanction will be assessed toward the individual making the unacceptable posts. Depending on the nature of the infraction, discipline or sanction can include the individual being banned or blocked from NCD and Member association activities and may result in a player release from the team or the dismissal of a team official.

NCDMHA Information

Respect in Sport/Speak Out Requirement: Under BC Hockey regulations, all Minor Hockey team officials regardless of position must have completed either the on-line Respect in Sport course or have previously completed the Speak Out program course (offered from 2000-2008). The Respect in Sport/Speak Out requirement must be met by not later than December 1st.

- The minimum age for participants is sixteen (16) years old as of December 31.
- RIS certification expires after four (4) years.

TEAMS APPLYING TO SCHEDULE GAMES IN OMAHA:

There may be occasion where teams choose to schedule exhibition play in the OMAHA league. This application may be considered based on level of competition available in the NCD. All teams must fulfil any required league play as directed by the NCDMHA rules and regulations.

Application must be on MHA letterhead, signed by the MHA President and received by the NCD President/Secretary 7 days prior to the NCDMHA AGM in May.

INELIGIBLE PLAYERS AND TEAM OFFICIALS:

Any team permitting a player who is ineligible by reason of being under suspension or of not being properly registered with that team to play in a game shall automatically forfeit that game and may be subject to further disciplinary action.

Any team permitting a suspended team official to participate in a game shall automatically forfeit that game and may be subject to further disciplinary action.

Any team permitting a team official who is ineligible by reason of not being properly registered with that team to participate in a game may be subject to disciplinary action at the discretion of the President.

In addition to the above, The President shall suspend and/or take other disciplinary action against any team official or other individual responsible for permitting an ineligible player or team official to participate in any game.

No HC-Carded Female Team:

If a HC-carded team does not exist in the player's residential Association in the division in which the player is registered, the player will be permitted to apply for a Player Movement to play for an adjacent Association that is entering a HC-carded Female team.

All players must first register with their residential Association. Should the Association fail to have sufficient players to form a HC-carded Female team, a player who wishes the opportunity to try out for a HC-carded Female team in an adjacent Association that will accept her shall apply to her residential Association for permission to move. If the Association grants the request, then an Application for Residential Waiver will be made to BC Hockey.

If no adjacent Association is able to accept the player's registration, she would apply for a player movement to play for the nearest Association that is entering a HC-carded Female team that will accept her.

Should the player be unable to play for the HC-Carded team(s) in the adjacent or nearest Association, the player shall return to her residential Association to play for a non-HC-carded team.

A player permitted to move to an out-of-zone Association under this section shall be permitted to play for that Association for the current season only. The player will be required to register with her residential Association prior to the start of the next season.

This section only applies in divisions in which HC-carded Female teams are available.

Fair Play/Team First Violations Amendments

These rules and resulting penalties are applicable to all games played by North Central District Minor Hockey Association teams including all exhibition games (including pre-icebreaker), ice-breaker games, tournament games (within and outside NCD boundaries), and league play games. It is the responsibility of each team to ensure the penalties are imposed immediately on the offending player or team official.

Fair Play/Team First Contracts

NCD will follow BC Hockey Minimum Suspension Guidelines.

Gross Misconducts by Coaches or Team Officials will result in Immediate suspension till such time as discipline committee rules.

Officiating

SHARED RESPECT

The Shared Respect Initiative calls for all participants of the game to respect one another.

The intent of Hockey Canada is to enforce a standard of play that promotes an exciting and fun game for all its partners.

All partners share an equal responsibility to ensure the integrity of the game is upheld. Through this process of change, the onus is not only on our game officials but all its participants.

CHECKING TO THE HEAD (contact physically or with a stick to another players' head area)

Deliberate checks to the head remain to be a major problem in today's game. Concussions not only deprive players of playing time, they end players' careers and can have long term effects.

Checks to the head demonstrate a lack of respect and fair play and must be penalized. Any moderate or severe blow to the head must be penalized with a minor penalty and misconduct or a major penalty and a game misconduct for checking to the head. A match penalty could also be assessed under this rule. These are aggressive fouls and must be called at ALL occurrences during the hockey game, including shorthanded situations.

Whether it is elbowing, high sticking, roughing or cross-checking, hits to the head are an intentional act of violence and must be treated with zero tolerance on the part of the official at all times.

CHECKING FROM BEHIND

We want to continue to work to eliminate any contact from behind, as the resulting injuries, especially to the head and neck can be catastrophic. It is a dangerous and cowardly act. It is imperative that coaches instruct their players to STOP and eliminate all checking from behind. Strict application of this rule is needed to remove this foul from our game.

We ALL play a role in supporting the improvement of our game.
